SUMMARY

Enthusiastic individual passionate to improve understanding of Cyber Security. History of completing work to professional standards, meeting strict deadlines and demonstrating excellent attention to detail. Strengths include hardworking and strong determination.

SKILLS

- Penetration Testing
- C programming
- Java
- Html
- Shell scripting
- Python

EXPERIENCE

07/2024 - 09/2024
Intern
Corizo Edutech | Bengaluru

- Contributed to project management tasks, tracking progress and coordinating with team members for timely completion.
- Collaborated with management and team members on end-to-end project needs, organising materials, facilitating communication and proofreading work.
- Supported meetings by preparing materials, setting up spaces and taking notes.
- Conducted quality assurance tests on company products, identifying areas for improvement and ensuring high standards.
- Assisted individuals with locating correct personnel or resources for different concerns.

07/2024 - 09/2024
Penetration Tester
Corizo

- Utilised ethical hacking techniques to identify potential entry points for cyber threats.
- Monitored emerging technologies and tools to enhance penetration testing capabilities.
- Managed security assessments for cloud-based services, ensuring compliance with industry standards.
- Reviewed and updated penetration testing policies and procedures to maintain high-quality standards.
- Conducted thorough penetration tests on web applications to identify vulnerabilities and security flaws.
- Negotiated with software vendors to obtain critical updates and patches for known vulnerabilities.
- Delivered detailed reports on penetration testing findings, outlining risk levels and mitigation strategies.
- Designed and executed network penetration tests, including both wired and wireless environments.
- Coordinated with external security auditors to validate findings and reinforce system defences.
- Used latest network data and industry advancements to maintain optimum security levels.
- Executed tests on software and hardware to identify errors and help develop corrective actions.
- Carried out regular performance checks and audits, ensuring storage and archiving procedures were functioning correctly.

04/2024 - 05/2024
Intern
Techmaghi | Kochi

- Participated in community outreach programmes, representing the company and strengthening community relations.
- Contributed to project management tasks, tracking progress and coordinating with team members for timely completion.
- Prepared comprehensive reports on industry trends, providing valuable insights for strategic decision-making.
- Collaborated with management and team members on end-to-end project needs, organising materials, facilitating communication and proofreading work.

EDUCATION

09/2022 - Current
University College of Engineering Muttom | Muttom,Thodupuzha
BTech: Cyber Security
